# SLIIT ETHICAL REVIEW COMMITTEE - RESEARCH ETHICS CHECKLIST

[SAMPLE ETHICS CLEARANCE SUMMARY - PROJECT R26-IT-082]

Project: AI-Powered Intelligent Talent Acquisition System
Group ID: R26-IT-082 | Date: February 2026

ETHICAL COMPLIANCE EVALUATION:
[X] Anonymization of candidate identification data (names, contact details, ID numbers removed prior to model ingestion)
[X] Exclusion of sensitive and protected attributes (gender, age, marital status, ethnicity) from predictive models
[X] Participant consent for simulated interview audio recordings and transcription
[X] Transparent model interpretability using TreeSHAP / XAI to eliminate opaque black-box scoring
[X] Human-in-the-loop guarantee: AI outputs serve strictly as advisory decision support; no automated rejection

STATUS: Ethical criteria satisfied in research proposals and experimental design.
Official committee clearance confirmation number pending formal registry issuance.
